About

Self Lawn and Landscaping has been a family owned business for almost 30 years. Jamie is a graduate of the Western Kentucky University Horticulture program. They provide quality lawn care and landscaping services for their customers. They also provide quality wholesale and retail plants such as boxwood, hydrangea, nandina and arborvitae. Jamie, Cari, Preston, and Parker would like to invite you to contact them for an estimate on landscape design, installation and maintenance services. They have access to a full line of nursery stock including containers and some B&B plants. They also offer Signature Plants On The Go for special occasion deliveries such as birthdays, anniversaries, Mother's Day, retirements, In Memory Of and house warming gifts.
